A LETTER FROM THE SUPERINTENDENT, MR. OFFIELD

Hello Brookside Charter Staff and Families,

As we look towards the 2020-21 School Year, there have been many things to consider when it comes to reopening our school. Brookside Charter understands that families in Kansas City have options when choosing their school. We have tried to create options at Brookside Charter that best suit our family and staff needs.

First, I would like to thank the families and staff who completed our reopening survey. We appreciate your feedback and used many of your comments when creating our reopening plan. In addition, thank you for your patience and understanding. We know that this has been an unprecedented time for all. Know that our number one priority when opening our school is the health and safety of our students, staff and families.

The following plan outlines the reopening options for Brookside Charter School in the 2020-21 school year. Understand that these plans are subject to change based upon recommendations from the local health department or local officials.

Sincerely,
Roger Offield
Brookside Charter School Superintendent

REQUIREMENTS FOR STUDENTS WHILE AT THE BROOKSIDE CHARTER BUILDING

Temperature Checks

When parents drop off their students, administrators will administer a temperature check on every student before the parents leave the parking lot. A student's temperature must be below 100.4 degrees to be present in the school building.

Face Coverings

All staff and students will be provided an effective mask or cloth face covering that is the appropriate size. Staff will be required to wear a face covering throughout the day. Students will be required to wear a face covering during appropriate times throughout the school day.

Handwashing

Students will be encouraged to wash their hands with soap and water for 20 seconds often throughout the day. Brookside Charter has also purchased hand sanitizing stations that will be placed throughout the building. All persons entering the building will be required to use hand sanitizer upon entering.

Limited Transitions

The CDC recommends students transitioning as little as possible. Breakfast and Lunch will be served to students in their classrooms. Elementary specials classes will take place in the classroom. Middle School student schedules will be built to limit the number of transitions between classes.

Social Distancing

When appropriate, students will stay 6 feet apart. Class sizes will be limited to 15 students per class to provide enough space for social distancing to be possible.

Student Drop Off & Pick Up

Parents/guardians will be asked to remain in their vehicles at all times during drop off and pick up. For the end of the day procedures, students will be escorted by staff to their vehicles. More detailed information on this protocol will be provided at the beginning of the school year.

CLEANING AND DISINFECTING PROTOCOLS

As always, our facilities and cleaning staff have deep cleaned the school building over the summer. The facilities and cleaning staff will train teachers and other staff members on how to disinfect desks, chairs and commonly touched surfaces. Cleaning supplies will be provided for each classroom.

At this time, Brookside Charter school has developed these plans with the health and safety of staff, students and families in mind. Understand that these plans are subject to change based upon recommendations from the local health department or local officials.

More detailed information on this reopening plan will be provided to enrolled students closer to the beginning of the school year. This will include information on how to choose the preferred learning option for your student.

At this time, please ensure your child is enrolled for the 2020-21 school year. Information on the enrollment process can be found at brooksidecharter.org/enroll.

Brookside Charter offices will reopen Monday, August 3rd.
