

Transitional Housing Resources

The basic program qualifications are:

1. Adults must be able to find & maintain 35-40 hours per week of employment

2. Adults & Youth program participants must be able to attend 4-5 weekly life-skills/case management/budgeting sessions, scheduled around their work/school schedules.

[Application for Housing - Family Program](#). If you are a Youth ages 16-20, please select the [Application for Housing - Youth Program](#).

After submitting your online application, please contact the Housing Site you selected as your first choice, by phone or email. If you do not call the Housing Site you picked as your First Choice on a daily basis, or as often as possible, your application will be placed at the bottom of the waiting list. Average waiting list time varies by housing site, but is typically between 2-4 weeks. Please make sure to contact the Housing Site daily to check the status of your application. Staff will schedule a personal interview with you when we have a shelter housing unit available for you. Please call your local Housing Site

Hillcrest Hope (Clay County)

Transitional Housing & Support Services

816.781.8988

The typical waiting list time for Hillcrest Transitional Housing is 2-4 weeks on average. If you are in need of emergency housing, rent/utility assistance, or want to get on the waiting list for another transitional housing facility, following is a list of local resources. We also recommend contacting the United Way 2-1-1 telephone help line to assist you in locating the appropriate services you may need. Dial 2-1-1 from your telephone to connect with the help line.
