How to Turn on Your Hotspot

Here's the top of your hotspot.
Looks like one button? It's actually two!
The **LEFT** side is what you want to press
to turn the hotspot on.

Hold the power button (the left side) until all of the blue lights come on and immediately release.

How to Connect Your Hotspot

After turning on the hotspot, it is ready to connect when the left two icons are blue.

SSID: 816-617-1620
Password: BCS1620!
Phone #: 8166171620
